REQUEST FOR EXTENSION OF DEADLINE

COMES NOW Paramount International Telecommunications, Inc., and files this request for extension of deadline and will show the following:

On September 17, 1998 a letter was sent from the Tennessee Regulatory Authority, herein "Authority" stating that the application was insufficient and additional information consisting of twelve sections was requested by the Authority. The requested information was for the most part request for additional or more detailed information to assist the Authority in its review process. As of October 1, 1998 when the information was requested Paramount International Telecommunications, Inc., herein "Paramount" has not been able to obtain the financial information that was requested to be certified by a Certified Public Accounting firm due to the fact that the CPA firm did not correctly state the name of the firm in its compilation. The corrected compilation will be available to Paramount the week of October 12th through the 16th. Therefore, paramount is requesting that good cause exists for this extension.

WHEREFORE PREMISES CONSIDERED, Paramount International Telecommunications, Inc. requests that an order be issued consistent with the above positions.

Respectfully submitted,

Mark J. Angell
Representative for Paramount
